

SWTEST

PROBE TODAY, FOR TOMORROW

June 3rd – 5th, 2024 San Diego, CA, USA

Exhibits General Information

The SWTest Conference and EXPO is the only conference specializing in semiconductor wafer level testing. It has a comprehensive technical program that is complemented by social activities which promote networking and sharing among the attendees and exhibitors. Booth displays at SWTest provide attendees with a one-stop opportunity to meet firsthand with all the key industry suppliers and learn about their new products and services.

- EARLY REGISTRATION IS ENCOURAGED. The display area is limited to 64 booths. Space will be allocated on a first-come, first-served basis with priority given to sponsors.
- The supplier display fee (if application is accepted) is \$2,500 per booth. One Exhibitor registration is provided that includes all meals and social activities. There is an additional charge of \$460 to upgrade that badge to Full Conference registration in advance, or \$565 to upgrade the badge onsite.
- Additional Exhibitor badges may be purchased for \$665 each in advance or \$755 onsite. These include all meals and social activities, but not technical sessions. Full Conference registration prior to May 8th is \$925. After May 8th, if we have not reached our maximum capacity, a Full Conference registration is \$1,120.
- Exhibits are limited to one 10' x 10' booth with an 8' high back drape and 3' high draped side rails. One 6' draped and skirted table, two side chairs and one waste basket will also be provided by the conference, along with one 7" x 44" ID sign. Banners hung on the pipe and drape behind each booth or freestanding backdrops are allowed, with a maximum size of 8' high by 10' wide.
