# Departed Friends of SW Test

**Frank Pietzschmann**

April 15, 1957 to June 6, 2009

SW Test Contributor and Committee Member

June 6 to 9, 2010

IEEE SW Test Workshop

3

# Respected Probe Technologist

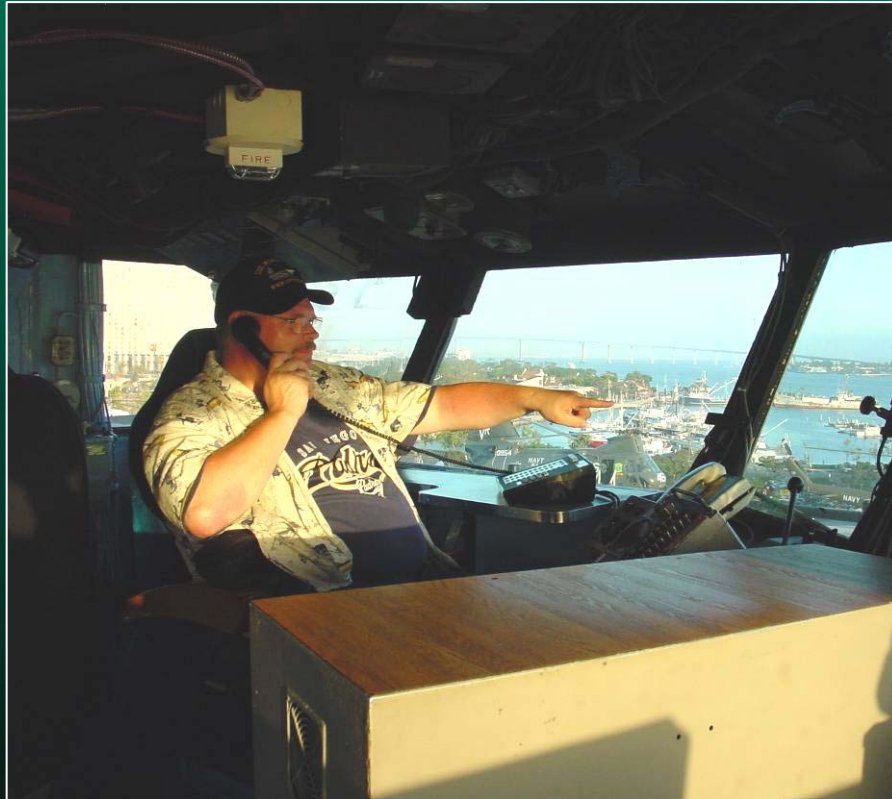

- **Technische Universität Chemnitz**
  - Diploma, Technical Cybernetics & Automation
- **Sr. Staff Engineer and Probe Technologist**
  - Infineon Technologies, Dresden
  - Quimonda AG, Dresden
- **ISMI Sematech Probes Council Assignee**
- **13 International patents and patent applications**
- **Frequent contributor to SW Test since 1999**
  - Awarded Best Presentation, Tutorial in Nature in 2005

# Frank Pietzschmann

April 15, 1957 to June 6, 2009

**“In Charge” on  
the Midway Bridge**

**Best Presentation, Tutorial in Nature  
SW Test 2005**

# Departed Friends of SW Test

**Brett Crump**

September 27, 1958 to October 11, 2009

SW Test Technical Program Chair

June 6 to 9, 2010

IEEE SW Test Workshop

6

# Industry Contributor

- **U.S. Navy 1976-1986 in VP-1 (USS Enterprise)**
  - Navy Expeditionary Medal (2)
  - Humanitarian Service Medal
- **Washington State University**
  - Bachelor of Science, Electrical Engineering
- **Probe Technologist and Industry Leader**
  - Applied Precision, Inc.
  - Micron Technology, Inc.
- **ISMI Sematech Probes Council Assignee**
- **10 US patent and patent applications**
- **SW Test Program Chair and Program Committee Member**

# Brett Crump

September 27, 1958 to October 11, 2009

**“Dress Code” at  
Micron Technology**

**“First Fish of the Day”  
October 10, 2009**

# Departed Friends of SW Test

**Bill Mann**

August 25, 1943 to March 3, 2010  
SW Test Founder and Chair Emeritus

June 6 to 9, 2010

IEEE SW Test Workshop

# Amazing Professional Achievement ... for one Mann ...

June 6 to 9, 2010

"I know of a Mann ..."

William Mann  
2007 Lifetime Achievement  
IEEE SW Test Workshop  
Founder and Chair Emeritus

"... friend, mentor, colleague"

JUNE 8 TO 9, 2010

IEEE SW TEST WORKSHOP

# William R. Mann Memorial Fund

- **IEEE William R. Mann Memorial Student Grant will be awarded to either an undergraduate or graduate student attending an accredited university or college who will attend, present a paper, or participate at:**
  - IEEE International Test Conference (ITC)
  - IEEE Semiconductor Wafer Test Workshop (SW Test)
- **With Bill's spirit for education, the grant is meant to support student participation at IEEE conferences and encourage interaction between the practicing engineers and students.**
