

June 7-10, 2020 San Diego, CA, USA

Exhibits General Information

The SWTest Conference is the only conference specializing in semiconductor wafer level testing. It has a comprehensive technical program that is complemented by social activities which promote networking and sharing among the attendees. Booth displays at SWTest provide attendees with a one-stop opportunity to meet firsthand with all the key suppliers and learn about their new products and services.

- EARLY REGISTRATION IS ENCOURAGED. The display area is limited to 64 booths, and they have been SOLD OUT two months before the workshop in past years. Space will be allocated on a first-come, first-served basis.
- The supplier display fee (if application is accepted) is \$1,600 per booth. One Exhibitor registration is provided that includes all meals and social activities. There is an additional charge of \$440 to upgrade that badge to Full Conference registration in advance, or \$545 to upgrade the badge onsite.
- Additional Exhibitor badges may be purchased for \$545 each in advance or \$650 onsite. These include all meals and social activities, but not technical sessions. Full Conference registration prior to May 1st, 2020, is \$775. After May 1st, if we have not reached our maximum capacity, a Full Conference registration is \$935.
- Exhibits are limited to one 8' x 10' booth with an 8' high back drape and 3' high draped side rails. One 6' draped and skirted table, two plastic side chairs and one waste basket will also be provided by the conference, along with one 7" x 44" ID sign. Banners hung on the pipe and drape behind each booth or freestanding backdrops are allowed, with a maximum size of 8' high by 10' wide.

SWTEST

PROBE TODAY, FOR TOMORROW

- Exhibit material is limited to small equipment displays, photographs, literature, and laptop computers for short presentations. No real-time product displays requiring power are allowed in Expo Hall. All exhibit material must fit inside the booth space.
- Exhibits will be held in the Expo Tent and Bernardo Expo Hall both of which are located near the Aragon Ballroom. A golf cart shuttle will take attendees between the two expo locations at regular intervals throughout Monday evening. The display area will be secured at night.
- Booths will be assigned in the fairest way possible. Indicate your preferred location on the application. Efforts will be made to keep competitors apart, and location will be assigned based on application date.
- Exhibit setup will be on Monday, June 8th, 2020 from 12:00 noon until 4:00 p.m. All materials shipped to the GES Exposition Services will be delivered to the assigned booth location Monday morning. Dismantling will be on Wednesday morning, June 10th, 2020 from 8:00 a.m. until 10:30 a.m.
